DEVILBISS SPRAY GUN EXTENSIONS

A wide range of DeVilbiss extensions are available for those difficult to reach applications.

*(spray guns not included)**

The DeVilbiss extension range is manufactured from brass with stainless steel needles as standard, they are available for Advance HD manual and AG-362 automatic pressure spray guns. When ordering ensure the part number for the model is completed with the required length in inches. Other lengths and flexible extensions are available upon request.

EXTENSION	Type of spray	To fit **Advance HD** part number	To fit **AG-362** part number	Clearance diameter	Comments
	**C** 360 degree circular spray For medium to heavy viscosity materials. With adjustable spray gap. 0.062" tip supplied as standard. (0.093" tip available)	**EXTADV-C-XX** XX = add length needed in inches to complete part number.	**EXT362-C-XX** XX = add length needed in inches to complete part number.	3/4" (19mm)	Hardened nozzle versions are available (type CVT and type HCVT) for Ceramic/Abrasive paints
		spray tips  **52-1621-1** 20° forward angle & forward spray (optional) **52-365 TIP** 20° forward angle (optional) **52-363 TIP** Right angle (supplied as standard) **52-364 TIP** 15° reverse angle (optional)			
	**SC** 360 degree circular spray For low to medium viscosity materials. With adjustable spray gap.	**EXTADV-SC-XX** XX = add length needed in inches to complete part number.	**EXT362-SC-XX** XX = add length needed in inches to complete part number.	3/8" (9.5mm)	SC-MBX version also available with very fine quality spray (gap not adjustable)
	**SA** forward round spray	**EXTADV-SA-XX** XX = add length needed in inches to complete part number.	**EXT362-SA-XX** XX = add length needed in inches to complete part number.	7/16" (11mm)	For low to medium viscosity materials. Supplied with 0.078" (2.00 mm) fluid tip.
	**EA** forward fan spray		**EXT362-EA-XX** XX = add length needed in inches to complete part number.	2" (51mm)	Supplied with PRO C2 conventional air cap and 1.2 mm fluid tip. To fit AG-362 automatic gun.*
	**EA** forward fan spray	**EXTADV-EA-XX** XX = add length needed in inches to complete part number.		1 3/4" (44mm)	Supplied with 63BSSx63PB set up. Fluid tip 0.046" (1.2mm). To fit Advance conventional gun.*
	**EAX** forward fan spray	**EXTADV-EAX-XX** XX = add length needed in inches to complete part number.	**EXT362-EAX-XX** XX = add length needed in inches to complete part number	7/8" (22mm)	Supplied with J2SS x AA1 fan spray set up. Fluid tip 0.043" (1.1mm). 46-1042 round spray cap (optional).

DEVILBISS SPRAY GUN EXTENSIONS

EXTENSION	Type of spray	To fit **Advance HD** part number	To fit **AG-362** part number	Clearance diameter	Comments
	**EB** 90 degree fan spray		**EXT362-EB-XX** XX = add length needed in inches to complete part number.	3½" (89mm)	Supplied with PRO C2 conventional air cap and 1.2 mm fluid tip. To fit AG-362 automatic gun.*
	**EB** 90 degree fan spray	**EXTADV-EB-XX** XX = add length needed in inches to complete part number.		3" (76mm)	Supplied with 63BSSx63PB set up. Fluid tip 0.046" (1.2mm). To fit Advance conventional gun.*
	**EBX** 90 degree fan spray	**EXTADV-EBX-XX** XX = add length needed in inches to complete part number.	**EXT362-EBX-XX** XX = add length needed in inches to complete part number.	1⅞" (48mm)	Supplied with J2SS x AA1 fan spray set up. Fluid tip 0.043" (1.1 mm) 46-1042 round spray cap (optional).
	**EN** 45 degree fan spray		**EXT362-EN-XX** XX = add length needed in inches to complete part number.	3" (76.2mm)	Supplied with PRO C2 conventional air cap and 1.2 mm fluid tip. To fit AG-362 automatic gun.*
	**EN** 45 degree fan spray	**EXTADV-EN-XX** XX = add length needed in inches to complete part number.		2⅝" (67mm)	Supplied with 63BSSx63PB set up. Fluid tip 0.046" (1.2mm). To fit Advance conventional gun.*
	**ENX** 45 degree fan spray	**EXTADV-ENX-XX** XX = add length needed in inches to complete part number.	**EXT362-ENX-XX** XX = add length needed in inches to complete part number.	1¾" (44mm)	Supplied with J2SS x AA1 fan spray set up. Fluid tip 0.043" (1.1 mm) 46-1042 round spray cap (optional).
	**ERX** 30 degree reverse fan spray	**EXTADV-ERX-XX** XX = add length needed in inches to complete part number.	**EXT362-ERX-XX** XX = add length needed in inches to complete part number.	2" (51mm)	Supplied with J2SS x AA1 fan spray set up. Fluid tip 0.046" (1.2 mm). 46-1042 round spray cap (optional).

Extensions are for use on pressure feed applications only.

Length options 6" (15cm), 9" (23cm), 12" (31cm), 15" (38cm), 18" (46cm), 24" (61cm), 30" (76cm), 36" (91cm), 48" (122cm), 60" (152cm), 72" (183cm), 84" (213cm)

Length measurement (approximate) is taken from the gun fluid inlet to the tip of the extension.

Extensions are complete with air cap, fluid tip, needle and air cap retaining ring. Extensions do not include the spray gun.

All fluid tips are stainless steel except type SC which are chrome plated brass and SA are plated steel.

To order a spray gun for the extension use the part numbers below. Bare Spray gun's exclude needle, air cap, fluid tip and retaining ring.

– Advance conventional gun **ADV-P000-00**

– AG-362 conventional gun **362-000-00**

Note: *Extensions are "made to order" and therefore cannot be returned for credit.*
